Hi Suna,

Please help us make a wechat post
for our corona sunsets event this
saturday.

Attached is the post information in
the order we want it in the post
including the images.

we need both english and chinese so
please make in the main post english
version and in the 2nd option right
under it chinese version.

You can check the attached picture to
know what i mean.

Let me know if it's ok for you or if you
really think you won't have time to do
it this afternoon we'll find a solution.
thanks!

Hi Lee

On the last email you mentioned that you were
going to talk with your partners and get back to
me this week . I am just wondering if you have
made the decision ?

Thank you

Suna
