Hey dearest Suna

I believe yesterday was you last official day. You are now free as a bird!

Thank you very much for everything. It has really been a pleasure getting to know you and working with you.

I wish you all the best in the future and hope we have many more chances to meet. Don't stay in France forever please 😊

What wechat are you continuing to use as your personal one?

All the best  
Niko

You are so sweet, thank you!

Thank you so much!

Thank you for your support!

Hi Suna,

Thanks for updated the letter. I have been in contact with Richard today and he asked me to send it as official letter to him with company stamp.

Can you please prepare an official letter with Brothers Kebab logo. I suggest you put your name, title, contact details and signature at the bottom as done in an official email and letter. Please put our company chop on the original letter that you send to him. Let's keep the tracking number of the letter so we can document when it was received. Just for the sake of good order.
